

# ABBOTT ID NOW KITS - How to identify the expiration dates.

Each different kit component has a different expiration date. It can differ from the one on the test box and the kit components. Expiration date will be whichever date expiring the earliest.

## EXAMPLE of Test Box Expiration Date:

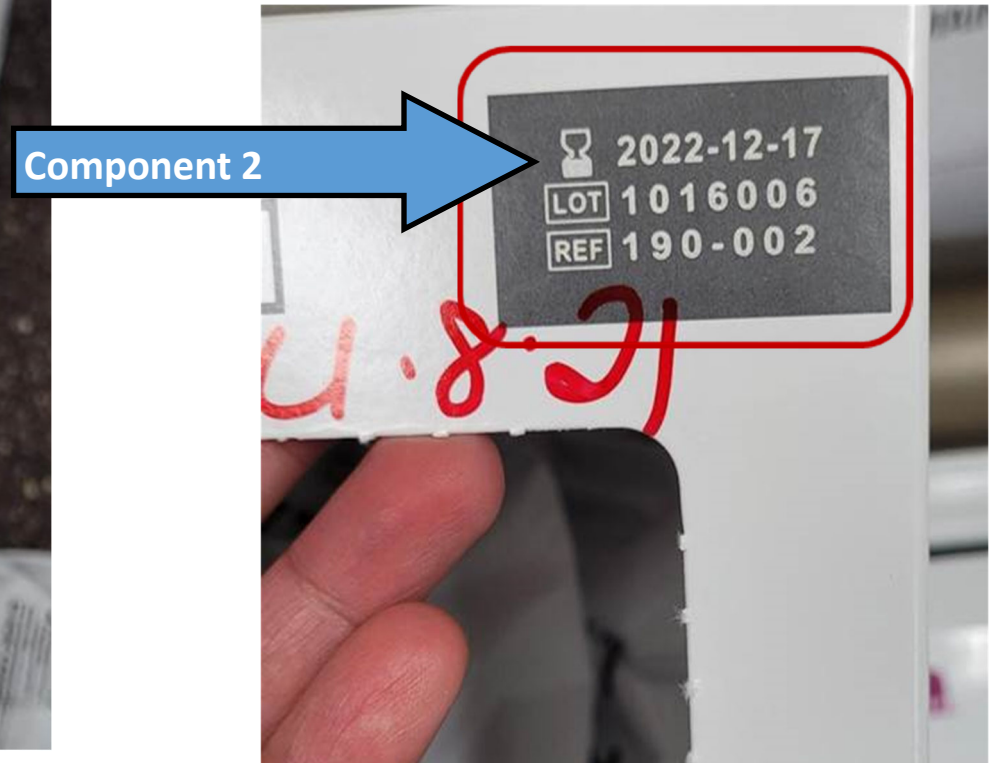

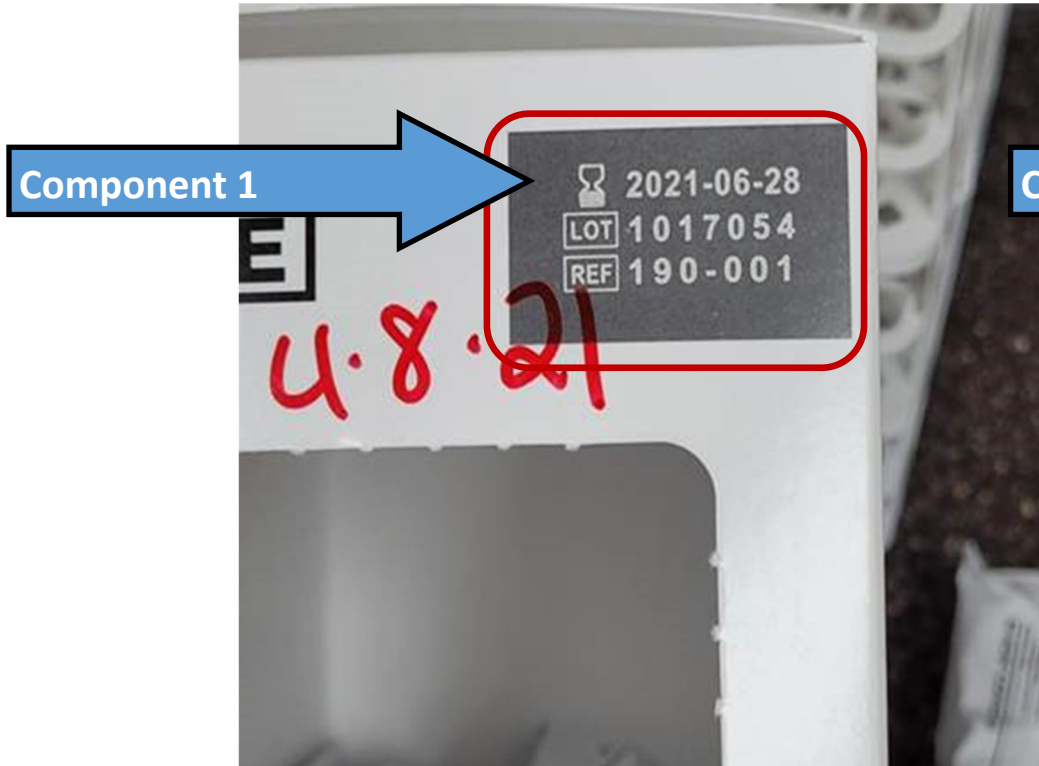

Test Box Expiration Date - 2021-05-

# ABBOTT ID NOW KITS - How to identify the expiration dates.

**EXAMPLE** of Test Component Expiration Date:

Test Box expires - **2021-05-15**

Component 1 expires - 2021-06-28

Component 2 expires - 2022-12-17

The earliest expiration date is 2021-05-15 and is the sooner expiration date.
